INFORMATION DISCLOSURE STATEMENT UNDER 37 C.F.R. § 1.97(b)

Pursuant to 37 C.F.R. §§ 1.56 and 1.97(b), Applicants bring to the attention of the Examiner the documents on the attached listing. This Information Disclosure Statement is being filed within three months of the filing date of the above-referenced application.

With the exception of WO 2005/006088 A1, each document listed in this Information Disclosure Statement relates to a document cited in a Search Report issued by the European Patent Office in connection with related PCT International Application No. PCT/CH2004/000433. A copy of the PCT International Search Report and/or subsequent Preliminary Report is attached, along with copies of the listed foreign patent documents for the Examiner's consideration. In this regard, it is noted that WO 02/093273 is related to U.S. Patent Application Publication No. 20040170088 A1.

Copies of the cited U.S. patent and publication are not enclosed. Applicants respectfully request that the Examiner consider the listed documents and indicate that they were considered by making appropriate notations on the attached form.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that each or all of the listed documents are material or constitute "prior art." If the Examiner applies any of the documents as prior art against any claim in the application and Applicants determine that the cited documents do not constitute "prior art" under United States law, Applicants reserve the right to present to the U.S. Patent and Trademark Office the relevant facts and law regarding the appropriate status of such documents.

Applicants further reserve the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should one or more of the documents be applied against the claims of the present application.

If there is any fee due in connection with the filing of this Statement, please charge the fee to our Deposit Account No. 06-0916.

Respectfully submitted,

FINNEGAN, HENDERSON, FARABOW,
